IN THE HEART OF THE NEW CAPITAL

The vision of growing a community in a well planned urban defined by an unique architecture as well as a various interior choices landed in a beautiful scented landscaing & connected waterscaping in all directions.

ABOUT THE PROJECT

BOTANICA is our newest project in the new capital, built on 24 acres, and consists of 22 buildings with different types of units.

Our ultra-modern architectural design will not only influence the way people live in our community, but the way Egyptians live in our country.

What makes BOTANICA unique is the prime location, green areas, swimming pools, clubhouse, solar system panels, premium mall, health club, spa and a food court.
